Md. Mehedi Hassan

Founder & CEO, Invatech · Full-Stack Web Developer · IT Manager · Creative Designer

IT professional and entrepreneur with 8+ years of experience across web development, IT infrastructure, networking, cyber security, graphic design and video production. As Founder & CEO of Invatech, I lead a team delivering websites, software, mobile apps and digital marketing for clients in Bangladesh and abroad. I also serve as Assistant Manager, IT at Datascape IT Limited, where I was awarded "Employee of the Year 2024". I love turning ideas into products people enjoy using — clean code, secure systems and designs that make brands stand out.
